

## Community Garden Open Day Fern Avenue, Fullarton

The annual Open Day for the Fern Avenue Community Garden was held in brilliant spring weather on Sunday 29 October. Members of the Garden were pleased to welcome the many visitors that came to see the garden, eat delicious pizzas (made in the on-site pizza oven), enjoy some home-made cakes and slices, drink coffee, chat with friends, take advantage of the BBQ and much, much more.

If you were one of our many visitors, thank you for calling in to the garden. If you would like to attend our next Open Day, it will be held around the same date in 2024.

Many thanks to the City of Unley for providing the Garden with a grant for Open Day.

Funds raised from the Open Day will be used for development and maintenance of the facilities within the garden.
