## Expression of Interest for allocation of a Community Garden plot

A limited number of garden plots are available for allocation and waiting lists generally apply. All applicants must agree to comply with the terms of agreement as outlined in the Membership Conditions page on the website.

Plot allocations are available for residents living within the City of Unley.

Your attendance at community garden events such as working bees, Open Day, social occasions and the occasional meeting are an important part of being a member of the community garden and an Expression of Interest should not be submitted if you are unable to participate in these community events.

The Management Committee reserves the right to reallocate a plot if the conditions of membership are not met.
